

Lojart Gallery Artwork Rental Program

Lojart Gallery is proud to offer you and/or your company a unique and affordable way to add life, color and beauty to your home or office.

Through our artwork rental program, you will be able to enjoy fine art, in your own home or office, for a nominal fee. This service allows you to experience the art in your own environment before your purchase. You can also rent different pieces and rotate them on a regular basis, creating a fresh look to frequent visitors to your home or office.

Lojart Gallery features many one-of-a-kind pieces of fine art, in various styles, colors and sizes. We are confident that you will be able to select a piece that best suits you and your surroundings.

We have two versions of the artwork rental program. Please select whichever best suits your needs:
